April 30, 2014  
Addendum #1 – “Questions and Answers” and “Clarification”  
CSB #1404-061 Frisco Discovery Center Flooring

### Questions and Answers

1. Is the floor finish to be polished or color burnished?
  - a. *It is polished concrete, and while there is no directive of color (the sealer may have a slight tint), the key is to match existing color of the other floors in the building.*
2. Will the vendor be responsible for removing and reinstalling the wall base?
  - a. *No, the current construction contractor will wait until the floor is completed to install the wall base.*
3. What are the available work hours?

However, the vendor can arrange to work additional hours by coordinating with the City of Frisco beforehand. The following dates/times will be unavailable due to events booked at the Frisco Discovery Center:*
